Weekly Curriculum Guide

Math:

We will be learning about odd and even numbers and sums of equal numbers. We will take our math test on Friday, October 18th.

We will take an addition timed test on Thursday, October 11th. The students will have 10 minutes to complete this test. We will be dropping the time to 9 minutes for the next addition timed test.

Thank you for your help in studying math facts with your children!!

Social Studies:

Our test is scheduled for Wednesday, October 16th. Students can keep their textbooks home until the day of the test.

Language Arts:

In Reading we will focus on finding key details in the text and learning about expository text. We will discover that expository text gives facts and information about a topic.

Vocabulary words: check, choose, chores, cost, customers, jobs, spend, tool.

In Language we will be learning about expanding and combining sentences.

In Foundations we will learn about the closed exceptions of old, ild, ind, olt, and ost.

Trick words: done, goes and pretty (students need to memorize these words)

Read 20 minutes nightly

Additional Information

Happy Birthday

For our book-it program, I only need the students to read Monday through Friday. Weekends are optional. I hope this helps!!

Our classroom will go and visit the Book Fair from 2:00 – 2:30 on Wednesday, October 16th.

I look forward to meeting with parents who are signed up for our first round of conferences on Thursday evening!

I introduced Raz Kids to the students. You can download the app if you want to for students to use at home. The login is ahudak0 (that is the number 0). Their current password is abc. They don't need to do this but they can if they want.
